

# MISSION

To advance Harvard University's mission of teaching and research, we partner to provide stewardship, strategies, and services that create exceptional community experiences.

---

- + **We act** in the University's best interest.
- + **We are** invested in each other's success.
- + **We build** partnerships based on trust and transparency.
- + **We commit** to being a learning organization.
- + **We value** diverse perspectives to drive a culture of innovation.
- + **We listen** to our partners to drive success and solve challenges.
